SCRATCHERS

QUESITO

A compact cat scratcher designed to be placed on the floor, perfect for small spaces. Your cat will love stretching and **#ScratchScratch** on it.

MEASUREMENTS:

- Length 52 cm x width 26 cm x height 6 cm

Our scratchers are made from double-walled high-density corrugated cardboard, which provides better quality and greater durability. The fronts of our scratchers are made from anti-scratch textiles to protect the scratcher and enhance the aesthetics of your home.

SCRATCHERS

COLOMBIAN PRODUCT

PEPINO

Compact in size but powerful in functionality for the cat. Its ample surface makes it not only a resting spot but an element that truly encourages the cat to express its natural scratching behavior.

It's stable, providing security for the feline when it comes to **#ScratchScratch**. It can be used on both sides.

MEASUREMENTS:

- Length 63 cm x width 30 cm x height 17 cm

Our scratchers are made from double-walled high-density corrugated cardboard, which provides better quality and greater durability. The fronts of our scratchers are made from anti-scratch textiles to protect the scratcher and enhance the aesthetics of your home.

SCRATCHERS

COLOMBIAN PRODUCT

TORRE

Cat scratcher made from double-walled corrugated cardboard. Sturdy, with a thick, stable base for your cat to express its natural scratching behavior.

Upholstered on the top of the scratcher. The wood base is painted for protection and decoration.
Base colors: brown and black.

MEASUREMENTS:

- Height 70 cm - Triangular base: 45 cm x 39 cm x 39 cm

Our scratchers are made from double-walled high-density corrugated cardboard, which provides better quality and greater durability. The fronts of our scratchers are made from anti-scratch textiles to protect the scratcher and enhance the aesthetics of your home.

TO SEE THE AVAILABLE COLORS, PLEASE GO TO THE UPHOLSTERY SECTION FOR SCRATCHERS.

SCRATCHERS

WAFLE

This cat scratcher offers stability, ample scratching areas, and an aesthetic design for your home. Ideal for heavy or large-sized cats. The design of this scratcher allows you to flip it 180 degrees and utilize both scratching areas, increasing its lifespan.

MEASUREMENTS:

- Length 73 cm x width 35 cm x height 27 cm

Our scratchers are made from double-walled high-density corrugated cardboard, which provides better quality and greater durability. The fronts of our scratchers are made from anti-scratch textiles to protect the scratcher and enhance the aesthetics of your home.

WE ARE PIONEERS AND THE CREATORS
OF THE RASCA CUEVA

RASCA CUEVA

Our most beloved cat scratcher by all. Its generous size makes it ideal for cats of any age, even chubby ones, and large breed cats. Its design is intended not only to provide stability for scratching but also a spacious and comfortable cave for cats to rest, sleep, and use as a hideaway. Both the interior and exterior are scratching areas.

MEASUREMENTS:

- Length 64 cm x Width 35 cm x Height 40 cm

Our scratchers are made from double-walled high-density corrugated cardboard, which provides better quality and greater durability. The fronts of our scratchers are made from anti-scratch textiles to protect the scratcher and enhance the aesthetics of your home.
